

Rachmaninoff Gives Concert

An audience of more than 3000 in the U-T Memorial Auditorium warmly applauded Sergei Rach-

maninoff at his Knoxville concert last night.

WAKE UP YOUR LIVER BILE —

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out about 2 pints of bile juice into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then gas bloats up your stomach. You get constipated. You feel sour, sunk and the world looks punk.

It takes those good, old Carter's Little Liver Pills to get these 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Take as directed. Effective in making bile flow freely. Ask for Carter's Little Liver Pills. 10¢ and 25¢.

Adv.

Acknowledged throughout the world as an unsurpassed virtuoso, the Russian pianist played with matchless technique at the performance of his own most frequently performed composition—the inevitable Prelude No. 4, in C sharp minor.

Other Rachmaninoff compositions were "Two Etudes Tableaux," in B minor and A minor, and his arrangement of Rimsky-Korsakov's "Hopac," played as an encore.

Wagner's "Magic Fire" music and the Wagner-Liszt "Spinning Song," received especially prolonged applause.—T. B.
