

## Ballet Russe Changes Date of Detroit Visit

Since the arrival of the Monte Carlo Ballet Russe in New York for its American premiere and their extended stay there it has been necessary to change the date of their coming to the Masonic Auditorium in Detroit to Monday evening, Feb. 5, instead of Jan. 15, as originally scheduled.

This change in the schedule necessitates the change of the date for the appearance of the composer-pianist, Rachmaninoff, to Monday evening, Jan. 22, instead of Feb. 5, as previously announced.
